Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	Comptons Lane is already subject to very high levels of traffic and drivers speeding, these additional homes will represent even more traffic on this road, which at school times is exceptionally busy and lots of school kids trying to cross the roads it's an accident waiting to happen.. these houses will increase the traffic also on St Leonards Road which is almost impossible to navigate in the mornings due to high levels of traffic and parked cars.

Kind regards
