Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	This is close to where I live and will impact the roads in the area. IT will affect amenities and the feel of this part of Horsham. There has been so much growth in general already in recent years in Horsham, which has caused overcrowding of schools, medical services and other amenities, which makes this very worrying.

Kind regards
