Comments:	This is a piece of land we walk across all the time. It's a part of the countryside a part of the land that belongs to all of us and makes Horsham what it is. I am so sick of corporates being allowed to

take OUR land that we can use to walk our dogs, children see nature etc to build yet MORE ill thought out houses that only benefit the rich - again!!!! ABSOLUTELY OBJECT to this proposal. Horsham should be left alone with extra housing built on the outskirts of the town not taking away our green spaces!!!!

Kind regards
