Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	Please stop building on green spaces. The loss to our countryside and subsequent wildlife will be devastating and irreversible. People need green spaces to maintain positive health, particularly

mental wellbeing. We also don't have the infrastructure needed to sustain anymore houses. The doctors, hospitals, schools, shops etc... are struggling to support the numbers of people we have locally as it is. Please; no more building in the Horsham and Southwater area.

Kind regards
