Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	Further development of this scale has serious implications, there are already a lack of school places with children being sent to schools outside of Horsham. The road on which this planning application is, will be saturated with traffic and will cause, yet another bottleneck in trying to access Horsham. Please object this application

Kind regards
