Reasons for comment:	
Comments:	The change of use on this light industrial unit to a gym for community membership should be supported. The gym attracts all ages, local people to the Billingshurst area and is totally inclusive. There is a lack of this sort of amenity in the area and this particular gym runs many group sessions which are great for wellbeing and mental health of community members. There is ample room for parking, attendance is staggered, many members walk to the gym and it does not create noise pollution to the area.

Kind regards
