Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	I am horrified at the prospect of the proposed development.- Horsham & the surrounding district has lost so much open land in the last ten years or so. The countryside is disappearing rapidly - the rise in the deer population being forced into our streets & the increase in road-kill is just heartbreaking. Please do not allow these plans to proceed - once the open land

is gone it's gone for ever, and we just have to stop this and start valuing the beautiful countryside which has made Horsham such a lovely place to live.

Kind regards
