Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Trees and Landscaping
Comments:	I totally object this area is ancient woodlands and fields widely used by all age groups of our community for pleasure and also for a safe space when suffering mental health issues We do not have an adequate infrastructure already due to the mass of new houses in the may heatwave my water pressure dropped to a trickle this has only happened in the last 5 years and I have been a resident for 40 years the water companies warning on the news today to save water as we are steady running low in

this area
So I ask you how is more housing going to help
We have lack of school and nursery places our local hospital oh
yes it's not actually local is overstretched and also serves south
croydon waiting time at A & E more than 12 hours on average
Doctors are full getting a dentist is already nearly impossible
So I totally object to these plans that in my mind are totally
financially motivated without a thought for the impact on our
already bursting community and the disregard for our precious
green spaces is criminal

Kind regards
