RECOMMENDATION:	~~Advice /~~ No Objection ~~/ Objection / More Information / Modification / Refusal~~
SUMMARY OF COMMENTS & RECOMMENDATION: The proposed replacement garage will not harm the setting of the listed building.	
MAIN COMMENTS: Dear Alice, The existing garage is a utilitarian structure which does harm the setting of the listed building. I welcome its removal. The replacement garage has an overtly modern design but in this case I am content it will not dilute an appreciation of this historic farm complex. I am satisfied no detailed conditions are required in this case. Regards, Seán
