Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise - Trees and Landscaping
Comments:	Cowfold is already a disaster for through traffic, noise and air pollution are off the charts. Eastlands lane is a haven for dog walkers, runners, ramblers. 9 houses makes zero difference to the wider problem of accessible and attainable houses for those who are unhoused. These will be expensive houses, no doubt money will be thrown around to make it happen but on merit it really shouldn't. I moved to Cowfold specifically for walks and green spaces such

as Eastlands lane, I just don't understand the constant need to wreck what we have.

Kind regards
