Dear Sir/Madam

[REDACTED] I live at 9 Pinehurst Horsham RH12 2DL.

My property backs onto both Ashtonleigh Nursing Home and Wimblehurst Hotel which have planning application DC/26/0347 request to convert the Wimblehurst Hotel into an extension of the Nursing Home. I have just posted a formal objection as there is very little privacy or noise barrier between the Hotel and my garden. Note that there is a high fence and trees between the nursing home and my garden.

I am currently listening to an **extremely loud party** in the back garden of the hotel which I believe is **not allowed as approval has not yet been granted.**
