Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	I assume there is a good reason for taking down an established oak tree or any application would have been rejected already. Accepting that then I do hope that permission will only be given if the tree is completely removed. I would not want an ugly stump left for us to see every day and remind us all that once there was a fine oak tree there. [redacted]

Kind regards
