CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	Land at Freshwater Parade, Bishopric, Horsham
PROPOSAL:	Installation of 1No. BT Street Hub Unit and associated advertisement panels on either side of the unit.
REFERENCE:	DC/26/0119 & DC/26/0120
RECOMMENDATION:	Objection
SUMMARY OF COMMENTS & RECOMMENDATION: Objection – see main comments.	
MAIN COMMENTS: Horsham Denne NC has the following comments and queries regarding the proposed BT Hub: 1) From the plans it looks as though the proposed BT Hub could block the view of approaching buses for people waiting at the bus stop. Have the bus companies been consulted? 2) HDNC considers the Hub is primarily a large advertising hoarding which could cause an obstruction in an area that HDC is trying to improve for businesses and their customers. The proposal violates the A Board policy designed to declutter pedestrian walkways. 3) HDNC considers the design is garish and inappropriate in the town centre. Therefore, HDNC objects to this application. If the Case Officer is minded to approve the application we would ask for it to go to committee.
