Dear Sir/Madam,

Installation of 1 x 7m light wooden pole.

High Trees Maudlyn Close Bramber Steyning

I refer to your notification received in this office on 4th August 2026 concerning the above site.

I write to inform you that this Authority has no comments to make on the above proposal. The works can therefore be undertaken in accordance with the submitted details, together with the criteria contained within Part 16 of Schedule 2 of the Town and Country (General Permitted Development) Order 2015, as amended.

It is though advised that the path between High Trees and Windyridge is a public right of way (2728). It would therefore be recommended that West Sussex County Council's (WSCC) Rights of Way Team be contacted prior to any works taking place which would impact on public use of this footpath. You can contact the WSCC Public Rights of Way team by phone at 01243 777620 or by email at prow@westsussex.gov.uk.

I trust this information is of assistance to you. Should you however require any further information or clarification please do not hesitate to contact the Case Officer as detailed above.

Yours faithfully

Emma Parkes
Head of Development and Building Control
