Application Number: DC/25/0821

TOWN & COUNTRY PLANNING ACT, 1990 (as amended)
TOWN & COUNTRY PLANNING (Development Management Procedure) (England) Order 2015

On behalf of: Mr and Mrs Clark Gould Baxter

In pursuance of their powers under the above-mentioned Act and Order the Council hereby notify you that they PERMIT the following development, that is to say:

Variation of condition 1 of previously approved application reference DC/24/1481 (Demolition of existing side and rear extensions and erection of a two storey rear extension, side and front porches and a detached garage with two car bays and sleeping quarters above) regarding changes to roof plan.

Cidermill Farm Knob Hill Warnham West Sussex

to be carried out in accordance with Application No. DC/25/0821 submitted to the Council on 15/05/2025 and subject to compliance with the plans/documents and conditions specified hereunder.

Biodiversity Net Gain Condition
Please note the requirement within the Environment Act 2021 for development to deliver a minimum of 10% net gain in biodiversity may be applicable to your development. In the event your development is required to achieve a minimum 10% net gain in biodiversity then a Biodiversity Net Gain Condition (separate to the main list of conditions) will appear on your decision notice requiring the submission of a Biodiversity Gain Plan for approval prior to development commencing.

Emma Parkes
Head of Development and Building Control

Date: 10/07/2025

1 **Plans Condition**: The development hereby permitted shall be carried out in accordance with the approved plans listed in the schedule below.

Schedule of plans/documents:

Plan Type	Description	Drawing Number	Received Date
Location & Block plan		PL10	15.05.2025

Site plan	Proposed	DP.13 REV A	15.05.2025
Elevation & Floor plan	Proposed	PL.11 REV B	15.05.2025
Supporting Statement	Water Neutrality Report by cgs civils dated 23 October 2024	C3164 REV P2	25.10.2024
Supporting Docs	Full Bat Roost Assessment by Simlaw dated 22 August 2024	SE24-2292b V.01	25.09.2024
Supporting Docs	Preliminary Ecological Appraisal by Simlaw dated 22 August 2024	SE24-2292 V.01	25.09.2024

Reason: For the avoidance of doubt and in the interest of proper planning.

2 **Standard Time Condition**: The development hereby permitted must be commenced by the 25.11.2027.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

3 **Pre-Commencement Condition**: Prior to commencement any works which will impact the breeding / resting place of bats, shall not in in any circumstances commence unless the local planning authority has been provided with either:

a) a licence issued by Natural England pursuant to Regulation 55 of The Conservation of Habitats and Species Regulations 2017 (as amended) authorizing the specified activity/development to go ahead; or
b) evidence of site registration by an individual registered to use a Bat Mitigation Class Licence; or
c) a statement in writing from the Natural England to the effect that it does not consider that the specified activity/development will require a licence.

Reason: To conserve protected species and allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 (as amended) and s17 Crime & Disorder Act 1998.

4 **Pre-Commencement Condition**: No relevant works shall commence until the following details have been submitted to and approved in writing by the Local Planning Authority. The works must not be executed other than in complete accordance with these approved details:

a) Drawings to a scale not smaller than 1:5 fully describing:

i) new/and/or/replacement windows, external doors, rooflights. These drawings must show:
- materials
- decorative/protective finish
- cross section of frame, transom, mullions, glazing bars, etc
- formation of openings including reveals, heads, sills, arches, lintels, dormer construction, etc
- method of opening
- method of glazing

ii) Roof details including sections through:
- roof ridge
- hips
- valleys
- eaves

- verges
- verges and bargeboards
- flat roof perimeters

b) Schedule identifying all doors, doorcases, windows, joinery, and other architectural features that are to be altered, relocated, concealed or removed, fully describing the work proposed.

c) Specification of masonry, brickwork, stonework including material, colour, texture, face bond, components of the mortar, and jointing/pointing profile.

d) Specification, including location drawings and sketches where appropriate, of works to timbers / structural timbers / timber framing including extent of work, methods to be used, and the type of any replacement timber.

e) Samples or specifications of external materials and surface finishes.

f) Specification and/or drawings fully describing method of incorporating thermal, fire and sound insulation, describing the affect on the appearance and fabric of historic and architectural features.

Reason: As this matter is fundamental to ensure that the significance of the designated heritage asset, and the character, appearance and integrity of the building, is not prejudiced, thereby preserving the special architectural or historic interest which it possesses, and to comply with Policy 34 of the Horsham District Planning Framework (2015).

5 **Pre-Commencement (Slab Level)**: Prior to any works above slab level a Biodiversity Enhancement Layout, providing the finalised details and locations of the enhancement measures contained within the Preliminary Ecological Appraisal (Simlaw Ecology, August 2024), shall be submitted to and approved in writing by the Local Planning Authority.

The enhancement measures shall be implemented in accordance with the approved details prior to occupation and all features shall be retained in that manner thereafter.

Reason: To enhance protected and Priority Species and allow the LPA to discharge its duties under the s40 of the NERC Act 2006 (as amended).

6 **Pre-Occupation Condition**: The development hereby permitted shall be undertaken in full accordance with the water neutrality strategy (dated 23rd October 2024). No dwelling hereby permitted shall be first occupied until evidence has been submitted to and been approved in writing by the Local Planning Authority that the approved water neutrality strategy for that dwelling has been implemented in full. The evidence shall include the specification of fittings and appliances used, evidence of their installation, and completion of the as built Part G water calculator or equivalent. The installed measures shall be retained as such thereafter.

Reason: To ensure the development is water neutral to avoid an adverse impact on the Arun Valley SACSPA and Ramsar sites in accordance with Policy 31 of the Horsham District Planning Framework (2015), Paragraphs 179 and 180 of the National Planning Policy Framework (2021), its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), and s40 of the NERC Act 2006 (Priority habitats & species).

7 **Pre-Occupation Condition**: No part of the development hereby permitted shall be occupied until a lighting design scheme for biodiversity based on Guidance Note: 08/23 has been submitted to and approved in writing by the Local Planning Authority. The scheme shall identify those features on site that are particularly sensitive for bats and that are likely to cause

disturbance along important routes used for foraging; and show how and where external lighting will be installed (through the provision of appropriate lighting contour plans and technical specifications) so that it can be clearly demonstrated that areas to be lit will not disturb or prevent bats using their territory.

All external lighting shall be installed in accordance with the specifications and locations set out in the scheme and maintained thereafter in accordance with the scheme. Under no circumstances should any other external lighting be installed without prior consent from the local planning authority.

Reason: To allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 as amended, s40 of the NERC Act 2006 (as amended) and and Policy 31 of the Horsham Development Framework.

8 **Regulatory Condition**: The materials to be used in the development hereby permitted shall strictly accord with those indicated on the application form and approved plans.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of visual amenity and in accordance with Policy 33 of the Horsham District Planning Framework (2015).

9 **Regulatory Condition**: The development hereby permitted shall be occupied solely for purposes ancillary to the occupation and enjoyment of Cidermill Farm, Knob Hill (as identified on the approved plans). The development shall not be severed, used as a separate unit of accommodation or occupied for any other purposes.

Reason: To ensure the development is water neutral to avoid an adverse impact on the Arun Valley SACSPA and Ramsar sites and as the establishment of an additional independent unit of accommodation would give rise to an over-intensive use of the site and lead to an unsatisfactory relationship between independent units of living accommodation, and in accordance with Policies 26, 28, 31 and 33 of the Horsham District Planning Framework (2015).

10 **Regulatory Condition**: All new and replacement rainwater goods (including gutters, down pipes and hopperheads) and external soil pipes shall be of cast iron or cast aluminium.

Reason: To ensure that the significance of the designated heritage asset, and the character, appearance and integrity of the building, is not prejudiced, thereby preserving the special architectural or historic interest which it possesses, and to comply with Policy 34 of the Horsham District Planning Framework (2015).

11 **Regulatory Condition**: No new plumbing, pipes, soil stacks, flues, vents, ductwork or the like, shall be fixed to any external face of the building other than as shown on the drawings hereby approved.

Reason: To ensure that the significance of the designated heritage asset, and the character, appearance and integrity of the building, is not prejudiced, thereby preserving the special architectural or historic interest which it possesses, and to comply with Policy 34 of the Horsham District Planning Framework (2015).

Note to Applicant:
Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

ADDITIONAL INFORMATION

Planning Permission – Important Provisos
If planning permission has been granted, please note that your Notice of Decision refers only to consideration of your proposal under the Town and Country Planning Acts. It is not a building regulations approval and does not mean that you can disregard other Acts of Regulations, or avoid any other legal obligations. Some of these obligations, of particular relevance to your proposal are referred to elsewhere in this note. Before you proceed with your proposal you should ensure that a Building Control application is not required, or has been submitted. The Building Control Department can be contacted on 01403 215151.

If this permission relates to new dwellings, commercial premises or other buildings which will require a new postal address you should contact the Council's Street Naming & Numbering Department as soon as possible or before work commences on site. Further details are available on the Street Naming page on the Council's website or alternatively e-mail streetnaming@horsham.gov.uk or telephone 01403 215139.

It is the responsibility of the developer to provide bins for the development. If you are a developer and need to purchase bins, please email hop.oast.admin@horsham.gov.uk.

It must be stressed that the information included on this Notice of Decision may not include all your legal obligations, and it does not grant you rights to carry out works on or over lands, or to access land that is not within your control or ownership.

Compliance with the Approved Plans and Conditions
The development hereby approved must be implemented in accordance with the approved plans and any conditions set out in the Notice. Some of the conditions may specify that works are to be carried out, and/or details submitted and approved before all or part of the development is started. These will appear in the 'Pre-Commencement Conditions' section of the Notice.

If works on implementing this permission is started without these requirements being fully met, the development may be unauthorised and the permission invalidated, and could lead to enforcement proceedings or in some cases to prosecution.

Amendments
Should alterations or amendments be required to the approved plans, it will be necessary to apply either under Section 96A of the Town and Country Planning Act 1990 for non-material alterations, or under Section 73 of the Act for minor material alterations. An application must be made using the standard application form and you should consult with us, to establish the correct type of application to be made.

Monitoring
Horsham District Council monitors the implementation of planning permissions. Please be aware that monitoring officers may visit the application site at various stages of the development to ensure compliance with the approved plans and conditions.

Conditions Compliance
Requests for confirmation of compliance with conditions associated with that permission should be made in writing or by using the application form 'Approval of Details Reserved by Conditions'.

A request may be for confirmation that one or more conditions imposed on the same permission have been complied with. We aim to respond within 8 weeks of receipt of the request.

Right of Appeals
If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application or 'minor commercial' (shop front) development, and within 6 months for other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries.
