# Horsham Denne Neighbourhood Council
# CONSULTATION COMMENTS

| | |
|---|---|
| **TO:** | Horsham District Council – Planning Dept |
| **SITE ADDRESS:** | 3 Norfolk Road, Horsham |
| **PROPOSAL:** | Surgery to 1x Holly, 1x Apple, 1x Beech Hedge, and 1x Laurel Hedge (Works to Trees in a Conservation Area) |
| **REFERENCE:** | CA/25/0053 |
| **RECOMMENDATION:** | No objection |
| **SUMMARY OF COMMENTS & RECOMMENDATION:** No objection – see main comments on pages 2 & 3. | |
| **MAIN COMMENTS:**<br><br>Horsham Denne NC Tree Warden, Andrew Dickinson has visited the site and his report is as follows:<br><br>As it was not possible to gain access to the property, the trees and hedges were viewed from the neighbour's garden with their permission.<br><br>The Holly tree can be re-shaped to a size in keeping with the garden.<br>The Beech hedge can also be reduced to a manageable size.<br>The Laurel hedge has become very dominant in this small space so reducing it by 1.5m will give the garden a more open aspect and increase light levels in the area.<br>The Apple tree would benefit from a summer prune which will improve air flow and light levels to the crown area.<br>All tree and hedge reduction work should be carried after the bird nesting season.<br><br>Therefore, HDNC has **no objection** to this application. | |
| **ANY RECOMMENDED CONDITIONS:** See main comments | |
