Subject: Ref DC/24/1296

Dear Marie Riggs

In response to the planning department's letter dated 14th November 2024, I thought it best to reply directly to yourself as the case officer for my neighbours planned extention.
I am the adjoining neighbour whom the proposed extension will directly affect.
I am in full support of this application as I was for the previous submitted plans and feel the proposal will enhance my outlook of my neighbouring property and I fully support their application.

Thank you

Nicola adshead
