Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Loss of General Amenity - Other
Comments:	I am writing on behalf of the Horsham Society to object to this application. In our view this is little more than an illuminated advertising hoarding, and unnecessary and undesirable street clutter. It would also be potentially distracting to road users at this busy location. It does not even have the possible merit that it would replace an existing phone box. If such a facility were judged to be of any benefit it should be hidden from view in the nearby bus shelter.

Kind regards
