Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity
Comments:	This application was refused before, because of the nature of the Listed building, & the fact that it is in the Conservation Area. The reasons for the refusal haven't changed. To have vehicles parked in front of the building will ruin the openness & visual aspect of a beautiful 16th Century property, which originally benefited from a cottage garden & picket fence. To have a vehicular access opposite Clapgate Lane near a right angled bend is only going to exacerbate existing traffic problems.

Kind regards
