Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	One of my favourite local places to walk. I am particularly concerned that if this development is approved, it will be easier for the developers to apply for more houses in this area. I am aware that they have previously put a much larger proposal before which was rejected. Also, Horsham does not have the infrastructure for more houses.

Kind regards
