Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	Traffic congestion with speeding cars off the roundabout and roffey it is already a problem exiting Earles Meadow any additional traffic would be a complete nightmare. Dangerous to cross the road for pedestrians. There are no facilities or utilities to support any more building. It is an area of outstanding natural beauty with much wildlife. The permission has been refused multiple times and should be refused once and for all with no further applications accepted.

Kind regards
