Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	The access to the site via church lane is just not suitable to sustain the increased traffic. Not would it be suitable via rectory lane. I am concerned about increased traffic around the school, the loss of green spaces and the info structure is just not there to support such a development. There are not enough school places or amenities in the village.

Kind regards
