Comments:	I am objecting as the village does not have the Infrastructure to facilitate more housing. Our primary school is at capacity. We have no local doctors the nearest is Storrington or Steyning which are both over subscribed. I am a paramedic that lives in the village I work for the NHS and know that there is no emergency ambulances for a minimum of 15/20 mins. Its sole destroying enough knowing we can not get to life threatening pts now let alone if we fill the village up with even more people. The main high street (London road) is already not coping with the volume traffic and parking so why are we adding to this issue?

Kind regards
