Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	School way too small, houses of this size will obviously be for families, which means more children trying to get into there school which is a struggle now for some children not being able to get in now. Lack of amenities in the village now. More houses will cause even more of a stretch in the village. If it's like any of the other new builds in the village the roads are not big enough, not enough off road parking for the houses which means car parked on the side of the road and a struggle to get past them.

Kind regards
