Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	We are a small village with narrow roads which already suffer flooding at times. There are few or no amenities here and the school is already very oversubscribed. A recent meeting with developers indicate that no consideration has been given to access and traffic burden, nor to how existing provision of school places will be increased to service the increase in residential population.

Kind regards
