Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Overdevelopment
Comments:	I am against this proposed development due to overdevelopment of Ashington village. How do you see all the large trucks entering the village to remove soil, existing buildings etc and then all the trucks that bring construction materials, cement etc, how on earth can the village sustain this amount of noise and disturbance for at least two years. The roads are not wide enough to accommodate the amount of trucks necessary to go in and out of the village on a daily basis, it will have an impact on the whole village. We were also declined a cafe due to Water Neutrality , how is it now acceptable for an additional 180 houses? Will it be water neutral. Also we have one shop in the village and no medical facilities. The loss of our existing countryside is also endangering our wildlife.

Kind regards
