Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Privacy Light and Noise
Comments:	I live on rectory lane which is used as cut through for lots odd people wishing to get to storington without going on the a24. The road of rectory lane is in a poor condition with pot holes and a lot of the time in winter the road is icy . My first concern is that 180 new homes will bring a lot more traffic to a single track road . My second concern is that of light pollution from the house .

Kind regards
