Reasons for comment:	- Highway Access and Parking
Comments:	I am concerned that access to the site via Church Lane is unsuitable. Church Lane is narrow and often has parked cars on it as not all the residencies have driveways. The pavements are narrow too. People are often forced onto the road. This is the access to the primary school and is frequented by parents with prams and young children. Church Lane is not suitable for the extra cars that will access the new housing development or the lorries using it whilst the build takes place.

Kind regards
