Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	I object to this planning application. Ashington has already had many houses built over the past few years and it is impossible to keep building. The houses are not affordable for local buyers. There is bad access for these houses I.e only church lane or rectory lane and this already has a high volume of traffic. The London Road in Ashington is already congested and cannot take more cars. The infrastructure of the village cannot support more houses.

Kind regards
