Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	The traffic situation along Rectory Lane and London Road is already dire, I live on Rectory Lane and trying to get off my drive during peak hours is challenging due to increased volumes of traffic, along with cars being parked dangerously. During nursery pick up and drop off times getting along London Road is ridiculous, due to the volume of traffic and abandoned cars. A development of this size will perpetuate an already unacceptable situation.

Kind regards
