

Discharge of Condition 3 (Materials) – DC/25/0305

5 Coniston Close, Horsham

This statement is submitted in support of the discharge of Condition 3 (materials) attached to planning permission DC/25/0305.

The materials used in the construction of the development are as follows:

- External walls: very light grey weatherboarding, replacing the existing white weatherboarding, closely matching the appearance of the original.
- Windows and doors: white uPVC double glazed units to match the existing property.

The materials have been selected to match and complement the existing dwelling and surrounding area, ensuring a consistent and appropriate appearance in keeping with the character of the property.
