Subject: Re: Planning Submission Invalid Ref: DC/26/0725
Categories: Zoe

Good morning,

Our client has been in communication with Andy Bush regarding this tree. Andy is aware that the tree is in close proximity to the house, and that there are structural considerations relating both to the root system and to the limbs overhanging the property.

He has therefore suggested that we submit an application covering both options — felling the tree entirely, or undertaking a 25% reduction — so that each proposal can be properly considered.

Kind regards
Kate
