Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	We are already under pressure in the South East for water shortages and sewage, yesterday reinforced from Southern Water that by 2030 it could be critical. Roads are overstretched and Magpie Lane/Doomsday Road is neglected, let alone crossing Brighton Road. Finally getting to East Surrey Hospital in an emergency is a major issue, let alone waiting time once you are

there. Development needs to be re-assessed , prevented until
long term solutions are in place

Kind regards
