Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

- Highway Access and Parking
- Loss of General Amenity
- Other
- Overdevelopment
- Trees and Landscaping

Comments: I am objecting to the Berkeley Homes proposal to build 1,000 homes northwest of Southwater.

There are much better scribes than me that have already given clear reasons for the objections.

The reasons for my objections are as followed:

- Over development in the local area (Horsham Golf Club & Broadacres to be completed)
 - Conflict with the Southwater Neighbourhood Plan
 - Removal of Green fields
 - Access points conflicting with local traffic issues
 - Not enough local amenities
 - No consideration to local flooding points
 - Danger to local Ancient Woodlands
 - Reliance on motorcars over public transport links
 - Continued erosion of village life
-

Kind regards
