Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Other
Comments:	It Is obvious that the application will be approved, given the amount of work carried out prior to the application being submitted, it is of no consequence to me whether the house is built or not. However I would be grateful if you could amend the map, as i have previously informed you, the area shown as Rushmears nursery is in fact part of the garden of Rushmears house and has

been so for the last 20 years at least, Rushmears Nursery is the land to the north of the applicants site and has no connection with Rushmears house

Kind regards
