Comments:	I am writing in support of the planning application at 10 Cook Way, Broadbridge Heath, reference DC/26/0463. As a neighbouring resident, I have no objections to the proposed development. I do not believe the extension will have any negative impact on the street scene, neighbouring properties, parking, or local amenity. The proposed works appear modest and in keeping with the character of the surrounding properties, and will not result in overlooking, loss of privacy, or overshadowing. I am also aware that the proposed changes are being made to

support the specific needs of a family member requiring additional care. In my view, these adaptations are both reasonable and necessary to improve quality of life and allow appropriate care to be provided within the home.

I fully support the application and respectfully ask that it be approved.

Kind regards
