Address: 15 Coxham Lane Steyning

Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	Lighting- I am concerned that the lighting design levels will alter and impact the rural character of the site and that the design should be to E2 category not E3. Access and transport- regarding the south east/ west access road which links the Horsham Road with Shooting Fields and has a

gate shown on the proposal plans. I am worried that this access road could become a link road. I would like to see that planning conditions ensure that this does not happen and that the gate is kept locked outside of the school 's operational hours.

Kind regards
