Comments:	If this goes ahead the main road through Thakeham needs to be made a 20mph road with speed bumps, Also highbar lane needs to be 20mph with speed bumps. With that many more cars and the entrances being right next to a park and a road crossings x2 its the only thing I believe that really needs to happen to make people safe. Given the speed that cars travel already and the sad loss of [REDACTED] life a few years back, it would be madness if it doesn't happen.

Kind regards
