Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Privacy Light and Noise
Comments:	We are strongly opposed to this development. The local infrastructure cannot cope with this number of additional homes in the village. Roads are dangerous now and the increased traffic will lead to more congestion and accidents. We don't have enough

access to local Doctors and Dentists at the moment and an additional 300/400 people will only make that situation worse!

Kind regards
