Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Privacy Light and Noise - Trees and Landscaping
Comments:	Work has already begun on site with large lorries and diggers arriving at 7am 10/3/24. No consultation / notice to neighbours, no site notice, workers vans parked on surrounding roads, everything we wanted to avoid! I trust no further cutting back will now take place, especially to the

west of the site that houses a wide variety of wildlife on the edge of other open fiautumn or is this another thing that will be ignored?

Kind regards
