Dear Ms Chowdhury

Please see the photos below. The first 3 relate to surrounding properties and the latter 2 relate to numbers 5 and 7 which are either side of number 6. The 2 rooms at either side of the front door on number 5 are both used as bedrooms. The room on the front of number 7 nearest to number 6 is used as a bedroom and the room on the other side of the front door is used as a lounge. I hope this answers all your questions but please contact me if you require any further information.

Kindest regards

Adrian Goodman
