| Commenter Type: | Parish Council |
| Stance: | Customer objects to the Planning Application |
| Reasons for comment: | - Design<br>- Overdevelopment<br>- Privacy Light and Noise |
| Comments: | The development is over-development of a small plot, out of character with the surrounding rural area, would increase traffic and light pollution to an unacceptable level, would result in water pressure issues (as raised with the previous application) and does not align with the WPC Neighbourhood Plan. |
