Remodelling of existing dwelling with extensions at ground floor and roof level, including dormer windows, and associated alterations.

Your application DC/26/1495 has now been determined and I enclose the decision notice. The decision notice contains important information. Please take a moment to read it as further action may be required.

Conditions
Before you start work, information must be submitted for any conditions that require discharge before development can begin. The decision notice will set out what information need to be sent.

Failure to discharge conditions before commencing development could result in the development being unlawful or enforcement action being taken. You can notify us of your intention to initiate development by completing a pre-commencement notification which will help us to monitor your development. There is no fee to use this service. To do this, or for further information about discharging planning conditions, visit us online at horsham.gov.uk/planning/discharging-a-planning-condition

Community Infrastructure Levy (CIL)
If this development is CIL liable, the requirements of CIL must be met before you start work. Failure to do so could result in additional financial penalties. For further information relating to CIL visit horsham.gov.uk/planning/planning-policy/community-infrastructure-levy/cil-charges-and-how-to-pay

If you have any questions about the decision notice, you can call us and speak to a member of the team on 01403 215187 between 9AM - 5PM, Monday to Friday.

If you are acting as the planning agent for this application, please ensure that the applicant is given a copy of the decision notice and this letter.

Yours Sincerely,
Development Management

Application Number: DC/26/1495

TOWN AND COUNTRY PLANNING ACT, 1990 (as amended)
TOWN AND COUNTRY PLANNING (Development Management Procedure) (England) Order 2015

On behalf of: Mr and Mrs Martin

In pursuance of their powers under the above-mentioned Act and Order, the Council hereby notify you that they **PERMIT** the following development, that is to say:

Remodelling of existing dwelling with extensions at ground floor and roof level, including dormer windows, and associated alterations.

Kelmaine Castlegate West Chiltington West Sussex

to be carried out in accordance with Application No. DC/26/1495 submitted to the Council on 17/09/2026 and subject to compliance with the plans/documents and conditions specified hereunder.

Emma Parkes
Head of Development and Building Control

Date: 11/11/2026

1 **Plans Condition**: The development hereby permitted shall be carried out in accordance with the approved plans listed in the schedule below.

SCHEDULE OF PLANS/DOCUMENTS

Plan Type	Description	Drawing Number	Received Date
Location & Site plan	Plans & Elevations As Existing	2026/PL01	16.09.2026

6 **Regulatory Condition**: The materials and finishes of the development hereby permitted shall strictly accord with those indicated on the submitted application form and approved plans.

Reason: In the interests of visual amenity and in accordance with Policy 33 of the Horsham District Planning Framework (2015).

Note to Applicant
Biodiversity Net Gain Condition
Paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 states that planning permission is deemed to have been granted subject to the "biodiversity gain condition" which means development granted by this notice must not begin unless:

(a) a Biodiversity Gain Plan has been submitted to the planning authority, and
(b) the planning authority has approved the plan.

Under Regulations 4, 5, 7 & 8 of the Biodiversity Gain Requirements (Exemptions) Regulations 2024 the statutory biodiversity gain condition required by Schedule 7A to the Town and Country Planning Act 1990 (as amended) does not apply in relation to planning permission for development which meet a defined criteria.

Based on the information submitted in the planning application documents, the Planning Authority considers that this permission is exempt from biodiversity net gain, and as such does not require approval of a biodiversity gain plan before development is begun.

Statutory exemptions and transitional arrangements
There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These can be found at Paragraph: 003 Reference ID: 74-003-20240214 of the Planning Practice Guidance, which can be found at https://www.gov.uk/guidance/biodiversity-net-gain.

Irreplaceable habitat
If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

Note to Applicant
Prior to any works which will impact the breeding/resting place of bats taking place, the Applicant is advised that either:

a) a licence will need to be issued by Natural England pursuant to Regulation 55 of The Conservation of Habitats and Species Regulations 2017 (as amended) authorizing the specified activity/development to go ahead; or
b) site registration supplied by an individual registered to use a Bat Mitigation or Earned Recognition Class Licence will need to be confirmed; or
c) confirmation from Natural England to the effect that it does not consider that the specified activity/development will require a licence will be needed.

Note to Applicant – Community Infrastructure Levy (CIL):
Horsham District Council has adopted a Community Infrastructure Levy (CIL) Charging Schedule which took effect on 1st October 2017. **This development constitutes CIL liable development**.

If you have not received a Liability Notice from the Council within 1 month of the decision date please contact the CIL Team at cil@horsham.gov.uk.

CIL is a mandatory financial charge on development. To avoid additional financial penalties, the requirements of CIL must be managed before development is commenced (including in the event of any successful appeal).

Payment must be made in accordance with the requirements of the CIL Demand Notice issued.

Note to Applicant
Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

ADDITIONAL INFORMATION

Planning Permission – Important Provisos
If planning permission has been granted, please note that your Notice of Decision refers only to consideration of your proposal under the Town and Country Planning Acts. It is not a building regulations approval and does not mean that you can disregard other Acts of Regulations, or avoid any other legal obligations. Some of these obligations, of particular relevance to your proposal are referred to elsewhere in this note. Before you proceed with your proposal you should ensure that a Building Control application is not required, or has been submitted. The Building Control Department can be contacted on 01403 215151.

If this permission relates to new dwellings, commercial premises or other buildings which will require a new postal address you should contact the Council's Street Naming & Numbering Department as soon as possible or before work commences on site. Further details are available on the Street Naming page on the Council's website or alternatively e-mail streetnaming@horsham.gov.uk or telephone 01403 215139.

It is the responsibility of the developer to provide bins for the development. If you are a developer and need to purchase bins, please email hop.oast.admin@horsham.gov.uk.

It must be stressed that the information included on this Notice of Decision may not include all your legal obligations, and it does not grant you rights to carry out works on or over lands, or to access land that is not within your control or ownership.

Amendments
Should alterations or amendments be required to the approved plans, it will be necessary to apply either under Section 96A of the Town and Country Planning Act 1990 for non material alterations, or under Section 73 of the Act for minor material alterations. An application must be made using the standard application form and you should consult with us, to establish the correct type of application to be made.

Monitoring
Horsham District Council monitors the implementation of planning permissions. Please be aware that monitoring officers may visit the application site at various stages of the development to ensure compliance with the approved plans and conditions.

Right of Appeals
If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application or 'minor commercial' (shop front) development, and within 6 months for other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries.
