Horsham Denne Neighbourhood Council
CONSULTATION COMMENTS

TO:	Horsham District Council – Planning Dept
SITE ADDRESS:	101 The Boulevard, Horsham
PROPOSAL:	Conversion of loft into habitable space including 2no rooflights to the front and 1no dormer to the rear
REFERENCE:	DC/24/0906
RECOMMENDATION:	No objection
SUMMARY OF COMMENTS & RECOMMENDATION: Horsham Denne Neighbourhood Council has no objection (See main comments)	
MAIN COMMENTS: Horsham Denne NC is disappointed that this is a retrospective application. We consider the addition of the 'Runnersneed' signage unnecessary and the white background is rather garish, but as the signs are already in place we will not object. HDNC requests there is a condition that the hours of illumination are in line with the opening hours of the business.
