Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise
Comments:	Mallard Close is a quiet, narrow cul de sac of primarily elderly people living in bungalows. Constant access is required for various carers and ambulances. It is not conducive to being used as access to a building site. Building a 2 storey house here is not in keeping with the residents in terms of noise or being overlooked.

Kind regards
