Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

☒ Yes

☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Building work is to convert an existing garage to habitable living space by removing the garage door, bricking up the opening and adding in a window that matches the current width of the garage door, in a similar style to match the brick work already in place at the property. The converted garage will then connect to the existing living space through a new doorway between the two rooms.

Does the proposal consist of, or include, a change of use of the land or building(s)?

☐ Yes

☒ No

Has the proposal been started?

☐ Yes

☒ No

The project is within the boundary of our existing residential property and within permitted development rights.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed works are within permitted development parameters and cosmetically the work will be completed using materials that are similar to those already in use on the property, including windows in White PVC to be in keeping with those in use at the front of the property.

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No
