Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	Eastlands Lane is constantly used by locals - walkers , dog walkers mothers pushing prams. allotment users. I have had an allotment there for over 35 years. There used to be little traffic when I started. The existing houses were then built and the amount of traffic using this single lane road increased. Some of the users drive at speeds which is unsafe. Increasing or doubling the number (I am informed) is unacceptable and will destroy the rural nature of the lane and the environment. Any widening of the road

would endanger the wonderful oak trees canopy lining the route. If this proceeds then I suspect more house will follow. The deveopment is outside the boundary of the village anyway. I object most strongly. It's awful.

Kind regards
