Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	Eastlands Lane is designated as a local green space in the Cowfold Neighbourhood Plan. Its rural nature and amenity would be impacted adversely by building activity, subsequent occupation and additional traffic. Nine houses in this area will expand the village and, given the location, may well be used as a baseline for further development.

Kind regards
