Dear Halima,

Many thanks for your email.

Please find images attached as requested, which I hope are sufficient for your purposes.

I am unable to provide current photos of the pre-existing Summerhouse outbuilding in our garden since it had to be demolished as the structure had become unsafe as a result of a fire.

It was sited on the area of pea shingle visible in the photos, and you can still see evidence of fire damage to the back wall which we retained for use as a temporary fence pending the new outbuilding to which this application relates.

I hope this helps, but anything else please ask.

Kind regards,
Piers Chapman

Please ensure the photos show the full house from the ground up to the ridge of the roof of the house. Also, please provide photos of the outbuilding showing the front, sides and rear. Please ensure that the photos captures the immediate surroundings.

Similarly, please provide timed and dated site photos of the following:

- The photos showing examples of similar proposal nearby.
- The photos of both of the immediate neighbouring property's rear gardens.

Please kindly provide the requested information by 06th June 2025. I really appreciate your kind co-operation.

Kind regards
