Description of the Proposal

Please provide a description of the approved development as shown on the decision letter

Development of the site to provide 23 dwellings and 6 flats with ancillary parking, garaging, and landscaping, and the construction of a 106-space station car park, all served by new access on to Stopham Road. Construction of private parking bays to serve existing dwellings on Stopham Road served by new access from Stopham Road).

Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

Condition 15 - The application seeks removal of this condition following Natural England's withdrawal of its 2021 Water Neutrality Position Statement, as this means bespoke water-neutrality mitigation is no longer required.

Condition 16 - The application seeks removal of this condition to allow the dwellings to be occupied before the car park has been completed. The car park and associated works would remain part of the approved proposals; the only change would be that they would not be required to be delivered ahead of the housing.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

No changes are proposed to the conditions - they are proposed to be removed. However the related planning obligations will need to be amended as a result, to omit mention of these conditions and amend the triggers relating to the car park.
